3. Read Galatians 5:16-18. What does it mean to live by the Spirit? How does this differ from striving to do what is right?

4. How does the Spirit lead us?

5. Read Galatians 5:19-21. What is the common denominator in the acts of the sinful nature? What is the end result of a life that is characterized by such behavior?

6. Read Galatians 5:22-23. Why are these traits called “fruit,” Whereas those in vs. 19-21 are called “acts?” How are each produced?

8. Read Galatians 5:24-26, Romans 6:1-7. In what sense has the Christian crucified their sinful nature (past tense)? Why do we still need to continually crucify it (present tense)?
