2. According to Paul, what were the consequences for the Galatians if they chose to be circumcised? Why?
 - Verse 2

 - Verse 3

 - Verse 4

3. Since God has declared us righteous in Christ, what is the “righteousness for which we hope” in verse 5?

4. According to Paul in vs. 6, what has no value? What does count?

5. How would you explain the relationship between faith and love? How might you express your faith through love toward both God and man?

6. Read Galatians 5:7-12. Who had “cut in” on the Galatians? What truth had they kept them from obeying? (vs. 7)

7. What was represented by the yeast in vs. 9? How is that a warning to us today?

8. In spite of the danger of the false teaching of the Judaizers, why was Paul still confident in his converts?

9. Read Romans 9:30-33 and 1 Cor. 1:18-31. What is “the offense of the cross?” For the Jews? For people today?
